QUESTIONS AND CLARIFICATIONS 1

ZICTA/06/2016: REQUEST FOR EXPRESSIONS OF INTEREST FOR THE ESTABLISHMENT OF THE COMPUTER ASSEMBLY FACTORY IN THE LUSAKA SOUTH MULTI-FACILITY ECONOMIC ZONE THROUGH A JOINT VENTURE ON THE BASIS OF PUBLIC PRIVATE PARTNERSHIP MODEL

We have received queries from some of the prospective applicants regarding the above captioned expressions of interest. We have reproduced the queries and provided the responses.

1. Query

We are very much interested in participating in the EOI, and we need to clarify on point No. 05 (b) where it requires 05 years experience in the same industry.

We kindly request you to reduce it to 3 years of experience to enable us to participate. We are able to meet all other criteria set out in the EOI.

Response

We are unable to reduce the years of experience considering the magnitude of the project.

2.0 Query

Also we would appreciate if you could extend the closing date by another one week.

Response

The submissions closing date will not be extended and it therefore remains June 17, 2016.

3.0 Query

Is there any template that we need to follow in responding to this request? We are a South African company, are we allowed to participate?

Response

There is no template to be used in the preparation of the expression of interest. All eligible firms can participate in the tender.
