

PUBLIC NOTICE

LIST OF LICENSED ELECTRONIC COMMUNICATION OPERATORS

The general public is hereby advised that any person who constructs, owns or makes available an electronic communications network, provides a network service or provides one or more electronic communication services without a valid licence is guilty of an offence, as provided for under the Information and Communications Technology Act of No. 15 2009.

Accordingly, this serves to notify members of the general public that entities listed below are duly licensed to establish or provide or offer communication service or indeed to connect apparatus to an electronic communication system or work any such apparatus for the purpose of a telecommunication system;-

Licence Register as at June 30, 2020
